MEMORANDUM FOR: EXDIR 27 July

Fred Demech said today that PFIAB will be responding to the DCI's letter with regard to coming out to the building but he wanted us to know that:

- We could plan on starting at 0900 on 9 ~~Aug~~ ^{September}.
- Board would like usual briefing by the DCI/DDCI on the 9th or downtown on the 8th.
- He suggested sessions from 0900, then lunch, after which board members would go back to town.
- Board will want to talk with some "real old-fashioned spies." He suggested they meet [redacted] and [redacted] Asst NIO/GPN.

I will put together a proposal for the meetings on the 9th; in the meantime consideration should be given to the request to talk with some "old spies."
